

PRIVACY POLICY

R & J Cylinder and Machine is committed to protecting your privacy online and we abide by all rules, both ethical and legal, with respect to the use of consumer information.

Our privacy policy is intended to notify you of our online privacy practices and of the type of information that may be collected and stored; how the information is used; with whom the information may be shared; what choices are available to you regarding collection, use and distribution of the information; and who to contact with questions or concerns.

This privacy policy applies only to this website and not to other websites to which we may link. From time to time R & J Cylinder and Machine may post such links as a way of helping you locate related information and services easily. However, when linking to another website, you must review that website's own privacy policy as other websites may not treat information collected online in the same manner as R & J Cylinder and Machine does.

What Information We Collect

R&J Cylinder and Machine automatically collects some or all of the following information from visitors to our website: the home server domain names, type of operating system, type of web browser, and aggregate information on what pages visitors access, as well as information knowingly provided by a web visitor via online forms.

Some sections of this website invite you to request information about our activities or to contact us with enquiries. If you do so we will normally keep information such as email address, phone number and other details supplied by you in a database accessible only by employees of R&J Cylinder and Machine. We will not disclose any personal information you provide by means of this website to third parties unconnected with R&J Cylinder and Machine without your consent, except to our data processors or as otherwise permitted by the relevant data protection legislation. Addresses, email addresses and other personal details supplied by means of this website will be used for the purposes for which you supply them or as stated on the relevant section of this website. In some cases they may also be used for statistical analysis and for content improvement of our website.

Google Analytics

This website uses Google Analytics, a web analytics service provided by Google, Inc. ("Google"). Google Analytics uses "cookies", which are data files placed on your computer to help Google analyze how users use the site. The information generated by the cookie about your use of the website (including your IP address) will be transmitted to and stored by Google on servers in the United States. Google will use this information for the purpose of evaluating your use of the website, compiling reports on website activity for website operators and providing other services relating to website activity and internet usage. Google may also transfer this information to third parties where required to do so by law, or where such third parties process the information on Google's behalf. Google will not associate your IP address with any other data held by Google. You may refuse the use of cookies by selecting the appropriate settings on your browser, however please note that if you do this you may not be able to use the full functionality of this website. By using this website, you

consent to the processing of data about you by Google in the manner and for the purposes set out above.

Changes to this Privacy Policy

We may occasionally amend this Privacy Policy. The effective date of the most recent Privacy Policy is noted at the top of this Privacy Policy. We encourage you to periodically review the Privacy Policy to be informed of how we are committed to protecting your information. If we make any material changes in the way we collect, use, and/or share the personal information that you have voluntarily provided, we will post notice of the changes on the R&J Cylinder and Machine website. By using the www.rjcylinder.com website, you express your agreement with the terms of this Privacy Policy.

If you have any questions, comments or concerns about this policy:

R & J Cylinder and Machine welcomes your questions and comments about this privacy policy and privacy issues in general.
